

Fundraising is No Picnic!

Difficult [dif-i-kuhlt, -kuh lt]- not easily done; requiring much labor or planning to be performed successfully.

Fundraising is Difficult!

Help [help] - to give or provide what is necessary to satisfy a need; to aid; assist.

You can HELP!

The Kittle Cares program is community supporting community.

SAVA has paired with Kittle Cares to assist in our fund raising.

The potential for Kittle Cares to have an on-going impact is tremendous and now you can help them support us by doing what

you would be doing anyway - **buying or selling your home**- without paying anything extra!

Kittle Real Estate will donate a generous portion of their income to US from YOUR real estate transaction with them!

Let them know you heard about Kittle Cares from us!

Help us reach our fundraising goal!
